

Draft EAC inspection regulations, 2011

1. (1) It shall be the duty of an inspector to arrange that the premises of every person in possession of weighing or measuring equipment in his jurisdiction are visited for the purpose of inspecting all weights, measures and equipment in use for trade, health, environment and public safety at least once in every year:

Inspection of weighing and Measuring equipment and prepackaged goods

Provided that with the sanction of the **Head of Legal Metrology** such period may be extended in any district to not more than two years in respect of the whole or any part of any such district.

(2) An Inspector shall, in his jurisdiction, arrange for the inspection of pre-packaged goods at least once every year.

2. Where in the special circumstances of any case it appears to the inspector to be impracticable to comply literally with any requirement of these Rules, he shall report the matter so that the **Head of Legal Metrology** should he think fit, may dispense with the observance of such requirement.

Requirements of Rules may be dispensed with

3. It shall be deemed to be obstruction within the meaning of provision of this Act for any person to refuse to allow an inspector to carryout inspection of any weighing and measuring equipment or/and prepackaged goods.
